### **Tribute to the everyday heroes amongst us for fighting the good fight amidst pandemic - The immensity of loving kindness and compassion shines through -**

Singapore, 6 December 2021 – The unprecedented pandemic has been a long and difficult journey and has taken an emotional and physical toll on many of us. As the nation transits to “Living with COVID-19”, Ren Ci is proud to present **Immensity | 无限**, an original song composed by one of Ren Ci’s staff, as a tribute to every healthcare worker and also the everyday heroes who persevered during this long battle with the virus.

As healthcare workers in the community care sector serving vulnerable seniors, we have soldiered on in our duty of care, overcame challenges to protect vulnerable seniors from the potential threat of the infection during these critical times.

“Throughout the adversity, I am heartened to see the bright side of humanity and how we all come together to love and care for the vulnerable and needy. This song **Immensity | 无限** echoes the Ren Ci journey since the start of COVID-19 and how we have fought the good fight to emerge stronger today, while delivering care with heart and hope and keeping ourselves, our patients, residents and clients safe,” said Thomas Ang, Senior Executive Assistant at Ren Ci and composer of this heartwarming song.

Performed by five Ren Ci staff and three volunteers, this song is a gift from us as recognition and thanks for everyone’s vigilance in this battle against the coronavirus. It is also a reminder that we are capable of living with COVID-19 as endemic disease while continuing to find joy, love and compassion in life. SMS Dr Koh Poh Koon has expressed his support for the campaign and graciously shared about the song and video at <https://www.facebook.com/drkohpohkoon/posts/452612766235799>.

**Immensity | 无限** also launches our latest year-end fundraising campaign starting 1 December at <https://www.giving.sg/ren-ci-hospital/Immensity>. We hope that the music and lyrics will strike a chord with listeners and that they too will be touched by the immensity of loving kindness and compassion that has shone through during this pandemic. ## About Ren Ci Hospital

Ren Ci Hospital was established in 1994 with the vision of providing holistic care with loving kindness and compassion, driven by the principle of serving all. From a humble facility taking care of chronic sick patients to a leading voluntary welfare organisation in the community care sector, Ren Ci has expanded to provide medical, nursing and rehabilitative care across our Community Hospital, Chronic Sick, Nursing Homes and Senior Care facilities with a sense of hope.

Playing an integral role in supporting the healthcare needs of the seniors in Singapore, Ren Ci is also committed to partnering the community to support quality and meaningful living for the seniors under its care.

无限  
Immensity

拥有着一颗坚强无畏惧的心 才能够坚持到底  
最怕你的内心 有个放弃的声音  
希望这一刻 永远不会来临

拥有着一份丝毫不变的信心 才能够稳住疫情  
那无情的变异向我们侵袭  
不能拥抱你却一直陪伴着你

一天又一天度过黑夜到黎明  
一点一点感受生命的意义  
抗疫之中的你是如此美丽  
所有的付出又怎能忘记

相信某一天时间能改变  
历经生活的考验 人们看的更加远  
重新再展笑颜迎接美好世界  
凝聚的力量是真的无限 真的无限

Let our hearts be one; we will always be together and someday  
we will get there  
Hearing voices in the dark, that tell us to give up  
We must all ensure; we will never succumb

Let our hearts be one; we will always be together coz someday  
we will get there  
Obstacles are in our way, we'll never let them sway  
Our commitment; we're always be there for you

As the days go by, through countless days and nights  
We go through life and strife; through ups and downs we ride  
In the dark, you are a light; you're a beacon so bright  
When you're amongst the stars, we honour your fight

There will come a day, when time will have its say  
We have to stay on course; we can never sway  
Keep a smile on our face, for the future we'll embrace  
Your hands locked in mine, together as one, forever as one

相信那一天 相信会有那么一天我们可以  
可以拥抱一起没有距离  
相信那一天 相信会有那么一天我们可以  
可以拥抱一起没有距离 不再畏惧 拥抱一起  
我们取得胜利
